

Housecall MD *for* Seniors

No Extra Cost

No Concierge

Healthcare for Seniors 65 Years and Older

I am a primary care doctor specialized in Geriatric Medicine, Internal Medicine and Palliative Care who makes house calls to his patients aged 65 or older in the Rochester, NY area (Monroe and Wayne Counties) for **no extra cost**. The goal of my practice is to provide the best medical care for patients in the privacy and convenience of their own home or retirement community. I aim to improve the quality of life of my patients and their families. Home visits are covered by all insurances. Medicare and most insurances are accepted.
